4-H Youth Development Program

Santa Clara County

Hello from the 4-H Office

**Fe Moncloa, 4-H Youth Development Advisor, fxmoncloa@ucanr.edu and
Susan Weaver, 4-H Regional Program Coordinator, sjweaver@ucanr.edu
Zubia Mahmood, 4-H Program Community Education Specialist II**

A decorative string of colorful lights in red, yellow, green, and blue, hanging across the top of the text area.

During the holiday months, we will have several opportunities to come together and celebrate as friends and family. In the 4-H office, we are reflecting and celebrating how grateful we are for the contributions of 4-H volunteers, parents, and youth. Your dedication is appreciated!

There have been some exciting changes in the 4-H office. As many of you know, Susan has moved into her new role as the 4-H Regional Program Coordinator and will now supervise the 4-H Youth Development Program in Santa Clara County as well as San Mateo, San Francisco, Contra Costa, and Alameda Counties.

We welcome Zubia Mahmood as the new 4-H Community Educator II for Santa Clara County. Zubia is a long-time volunteer in Pleasant Acres 4-H and has two children that have participated for the past eleven years.

Zubia has extensive experience working with children of all ages. Her work experience in elementary and middle schools has well-prepared her for her new 4-H role. Some of you may know Zubia as one of the camp health officers. Zubia will be the first point of contact for all 4-H members, volunteers, and parents.

You may reach Zubia at zmahmood@ucanr.edu or 408-282-3119

Tik-Tock! 4-H online enrollment

COMPLETE YOUR ENROLLMENT BEFORE DECEMBER 15, 2022

Not sure what you're missing in your enrollment?

Please refer to the infographic below or email zmahmood@ucanr.edu

Santa Clara County How to Enrollment Guide: New and Returning Youth and Volunteers

New Youth Members

- A laptop or desktop is recommended.
- Select a [local club](#) and connect with the community club leader(s) to learn more about the club and project offerings.
- Create a "Family" profile on [4-H Online](#) or join a "Family" that already exists if you are a younger sibling/family member.
- Sign-up for the project(s). You can add/update throughout the year.
- Pay annual 4-H [enrollment fee online](#) by credit card. Fill out the [fee waiver form](#).¹
- *Individual 4-H clubs, ranches and projects may collect an approved assessment for operating expenses. Fee waivers are available by request.*

Returning Youth Members

- Login to the "Family" profile on [4-H Online](#) using previous family profile email & password (do not create a new profile).
- Teens who would like to receive 4-H emails directly are encouraged to add THEIR contact info on their individual profile in [4-H Online](#).
- Sign-up for project(s). You can add & update throughout the year. Update any information that has changed (remove projects and clubs you are not part of this year) and re-enroll.
- Pay annual [enrollment fee online](#) by credit card or indicate if you are seeking a fee waiver on the payment survey.
- *Pay club directly for any additional fees.*

New Adult Volunteers

- A laptop or desktop is recommended.
- Complete [4-H Volunteer Interest Survey](#).
- Create an adult volunteer profile on [4-H Online](#) or join your "Family" that already exists if your family already has a profile.
- Complete eXtension training : [2022-2023 California New Volunteer Course \(Spanish version\)](#). Check your email from 4-H Online for Santa Clara County password.
- Complete fingerprint requirement by [scheduling an appointment](#) Complete "Applicant Information", print and take to your appt. Here is an [example form](#).
- Pay the annual family [enrollment fee online](#) by credit card. If your children are enrolled, **do not** pay another family fee.

Returning Adult Volunteers

- A laptop or desktop is recommended
- Update the adult volunteer profile on [4-H Online](#) using previous family profile email & password (do not create a new profile). Re-enroll and remove projects & clubs you are not part of this year.
- Complete eXtension training [2022-2023 California Returning Volunteer Course](#) (20 mins). Check your email from 4-H Online for SCC password.
- Pay the annual family [enrollment fee online](#) by credit card. If your children are enrolled, **do not** pay another family fee.
- If you have not previously, please complete the [4-H Volunteer Interest Survey](#).

You will receive an automated email after you enroll in 4-H Online stating that "enrollment has been submitted" and "is not yet complete." You will become "ACTIVE" once all enrollment steps are completed.

Pro Tips

- When completing your 4-H online screening ?'s, be sure to answer #4 with **CA (or other state)**. **DO NOT** enter your whole driver's license # or it will be returned to you.
- Contact information in 4-H Online is how the county 4-H office knows how to reach you. Please make sure this information is accurate.
- Only one family member can use the same email as the family profile email (the one used to log into 4-H Online) – update all of your member's email address.
- Volunteers should indicate if they are a project leader in 4-H Online. This is how the report is generated to communicate to project leaders & submitted to the Fair.
- Returning Volunteers are covered by UC insurance through Dec 31, 2022. After Jan 1, 2023, you are no longer protected by UC unless you re-enroll.

UNIVERSITY OF CALIFORNIA
Agriculture and Natural Resources

4-H Youth Development Program

1 For reduction or waiver of youth enrollment fees, please fill out the [fee Waiver Form](#).

2 To view this infographic online, visit <http://ucanr.edu/4HEG>

Information and instructions for enrollment are on the "How to Join" page of the 4-H website.

2022-2023 Annual Enrollment Fees

One Youth & family fee = \$120.

Two Youth & family fee – \$200.

Three Youth & family fee – \$280.

Four Youth & family fee – \$360.

Adult Volunteers, no fee

Youth Enrollment Fee Waiver request is available.

Members and volunteers should complete re-enrollment by December 15th. New members may join at any time. Approved enrollment is **required** for participation in 4-H projects.

LEAP

Leadership
Engagement
with
Awesome People

On Saturday, November 5th, the first-ever regional LEAP conference was held in Hayward, CA. The Region 7 event hosted 4-H leaders and parents from Alameda, Contra Costa, San Mateo, San Francisco, and Santa Clara Counties. The opening speaker was 4-H alumna, Dr. Rachael Fisher, Veterinary Medical Officer of the USDA. Next were sessions on leading projects, helping youth to thrive, youth-adult partnerships, 4-H Camp, digital storytelling, outreach, and 4-H event planning. Santa Clara Volunteers led other sessions, Salene Duarte taught about participating in fair and livestock projects. The CS team (Megna & Michaela) taught about leading computer science projects, Laura Tiscareno & Eric Weaver led the public speaking session. Lunch was served and a whole lot of networking went on. Childcare and activities were provided by our Santa Clara County Ambassador Team. Thank you, Louise, Nik, Malia, and Kyle!!

The feedback was so positive, we have already begun planning an event for October 2023.

Watch for the save-the-date in 2023!

4-H STEM Challenge - Explorers of the Deep!

The STEM Challenge is an annual 4-H initiative to provide access to STEM education for all kids. The month-long opportunity for kids to learn about STEM through high-quality, interactive activities takes place in October. 4-H has created STEM Challenge activities for the past 10 years, including Rockets to the Rescue in 2014 or Incredible Wearables in 2017.

ON SUNDAY, OCTOBER 16TH, THE SANTA CLARA COMPUTER SCIENCE PATHWAY TEAM HOSTED THE SIXTH ANNUAL STEM CHALLENGE EVENT. THIS YEAR'S THEME, EXPLORERS OF THE DEEP, FOCUSES ON THE MYSTERIES AND ADVENTURES OF OCEAN EXPLORATION—WITH ROBOTS!

YOUNG PEOPLE LEARN TO USE SCIENCE, TECHNOLOGY, ENGINEERING, AND MATH (STEM) TO EXPLORE EARTH'S OCEAN AND HOW IT RELATES TO ALL LIFE ON THE PLANET. DESIGNED BY RUTGERS UNIVERSITY, THE 2022 CHALLENGE HELPS YOUTH DEVELOP OBSERVATIONAL AND CRITICAL THINKING SKILLS WHILE EXPLORING THE CONNECTION BETWEEN HUMANS AND OUR OCEAN...

UNIVERSITY OF CALIFORNIA
Agriculture and Natural Resources

4-H Youth Development Program

Santa Clara County

4-H STEM Challenge - Explorers of the Deep!

continued

This year youth rotated between three activities: Ocean Robot Test Tank, Ocean Expedition, and Ocean Communicator. These activities teach valuable lessons on aquaculture, climate change, innovation, human impact, and the ocean ecosystem. They also help youth understand the value of ocean exploration and learn to design and advocate for innovations and technical solutions that inspire public action.

Any volunteer, teacher, or club can order a STEM Challenge Kit that would provide materials and detailed instructions to lead a STEM Challenge event in their local area. All three activities are unplugged, meaning no computer is needed to teach the STEM concepts!

For more information, visit: <https://4-h.org/parents/4-h-stem-challenge/> or email us at 4hcs@googlegroups.com.

4-H Golden Clover Awards

Jack and Robert Clay Outdoor Adventure Award

Recipients: Kai Wu & Dean Wu, Rolling Hills 4-H

Jack Clay and his son, Robert, were enthusiastically involved in the 4-H camping and outdoor adventure projects as leader and junior leader in Alameda County. Following their tragic accidental death in September 1987, family and friends established this memorial. This category may be awarded to either a member or a volunteer for 4-H work in camping and outdoor adventures including camping, fishing, hiking, shooting sports, rafting, climbing, GIS/GPS, snow skiing, and others. This category also includes outstanding achievement, leadership, and promotion of outdoor adventures.

Collaboration & Outreach Award

Recipients: Fe Moncloa, Susan Weaver, Laura Tiscareno, Eric Weaver, Alondra Uribe, Itzel Torres Uribe, & other partners for Nature Explorers Summer Day Camp.

This category may be awarded to a member, volunteer and/or group for increased public awareness of the 4-H Youth Development Program, involving new youth and adults in 4-H, reaching out to communities that have historically not benefited from 4-H, and creating partnerships with other youth development organizations.

Special Events and Activities Award

Recipient: As part of the Public Speaking Advisory Comm., Karyn Luke, Pleasant Acres

This category may be awarded to a member and/or volunteer for individual leadership roles within 4-H camps, conferences, and trainings. This category is awarded to a group for outstanding educational events or activities that involve youth-adult partnerships in planning and delivery, reach a wide array of youth, and strive to meet local needs.

Civic Engagement Award

Recipients: Nik Krause, Tejas Billa, Anna Clayton, Megna Nayar.

This category may be awarded to a member, volunteer, group and/or staff member for contributions that demonstrate living the definition of civic engagement; "Civic engagement means working to make a difference in the civic life of our communities and developing the combination of knowledge, skills, values and motivation to make that difference."

4-H Youth Development Program

Santa Clara County

YOUTH SUMMIT

Educational Platform

THE 2023 EDUCATIONAL PLATFORM IS FOCUSED ON HELPING YOUTH IDENTIFY THEIR SKILLS, STRENGTHS, SPARKS/PASSIONS, PERSONAL CONNECTIONS, AND KNOWLEDGE THEY ALREADY HAVE IN THEIR TOOLBOX AND FINDING WAYS TO EXPAND THEIR TOOLBOX THROUGH MENTORS/ADVISORS, LEADERSHIP SKILLS DEVELOPMENT, WORKING IN DIVERSE TEAMS, INCORPORATE EXTERNAL RESOURCES, AND OTHER 4-H OPPORTUNITIES TO CONTINUE BUILDING THEIR TOOLBOX.

Teens as Teachers at Sacred Heart

DO REFLECT APPLY

As part of the weekly afterschool 4-H enrichment program for Sacred Heart Community, students enjoyed learning by doing as they created Motion Commotion. Led by Teen Teachers, students explored the science of motion through the relationship of speed and stopping distance.

Professional scientists, including physicists, engineers, and safety analysts, study all types of motion and implement technologies to keep us safe. They research and develop solutions to problems. These type of STEM careers are projected to be in high demand.

Senior Scholarships

The Amazon Future Engineer Scholarship

Awards 400 high school seniors who intend to study engineering, robotics, or computer science college scholarships. Scholars will receive \$40K for college and a guaranteed paid internship at Amazon following their freshman year.

Key info at-a-glance:

- Applications are now open and close on January 20, 2023.
- Eligible students must be planning to attend an accredited 4 or 2-year college and planning to study engineering, computer science, or other related fields of study.
- A \$40,000 scholarship is awarded at \$10,000 / year towards a 4-year degree.
- Other eligibility requirements apply. Please see amazonfutureengineer.com/scholarships for more details.

If you have questions about the program, please email amazonfutureengineer@scholarshipamerica.org directly.

4-H Youth Development Program

Santa Clara County

Welcome to the 2022-2023 4-H Program Year!

Below are some links to some of the many resources available to assist 4-H members, volunteers and families to "make the best better" in 4-H.

- **UC 4-H Guidebook for families:** This guide is for ALL families in 4-H in California.
- **4-H Clubs in Santa Clara County:** All clubs are meeting virtually at this time.
- **Online Learning Resource Page:** For 4-H families and community partners.
- **CA 4-H Grown at Home:** 4-H activities families can do from home, either online or offline.
- **CA 4-H Virtual Toolbox:** Guidance and Tips during the COVID-19 pandemic for current 4-H members, volunteers and families.
- **4-H Grows True Leaders:** In 4-H, you can practice leadership skills in a variety of roles. Learn more about Leadership in 4-H.
- **Project Sheets:** Thinking about planning a project/activity? Here you will find great resources. To apply to lead a project, please view the [project proposal page](#).
- **4-H Record Books:** The 4-H program has a long history of record keeping. The focus reflects the importance of this life skill in our daily lives. Completing a 4-H Record Book is a process where you record project and club work using a standard format.
- **4-H Branding Toolkit:** When creating event flyers, t-shirts or posters, this is handy info.
- **Creating a 4-H Resume:** A resumé is an opportunity to show your strengths, skills, talents and creativity. A 4-H resume is a way to keep track of your accomplishments.
- **Shop 4-H:** The official source for 4-H pins, record book covers, club supplies, apparel, and educational curriculum. When you shop with our link, 5% of your total purchases support California 4-H programs!
